Sir Rosply has the honor to state that at the Request of the undersigned Dr. Henderson furnished him with the G. O's marginally noted (Copies of which are appended) bearing on the subject of Special allowances granted to Hospital Assistants while on Camp during the prevalence of Cholera. From a perusal of these however it seemed to the Commissioners as Recorded in their Proceedings very doubtful whether they did apply to Hospital Assistant Serjeants Case. It was Consequently Resolved to Recommend an honorarium being granted to this Subordinate as a Special Case

With Reference to the 2nd para of the Docket under Reply has the honor to state that Hospital Assistant Serjeant was in Charge of the Cholera and Small Pox Hospitals from the time they were first established in December 1876 up to the date on which the Resolutions of the Commissioners was Recorded.

the Govt. of Madras to the grant of batta

that there should be only one rate of
